NEVER OVERSLEEP AGAIN WE'RE CLUCKING SERIOUS

CUSTOMER CLUCKS

Trevor L, ironic gift recipient turned early riser

"I booked it as a novelty gift for myself—but joke's on me because now I genuinely enjoy waking up. That first sunrise crow hit different. The rooster was punctual, polite (as far as birds go), and honestly gave me more closure than my last breakup."

Danika R, proud member of the 6:45 a.m. sunrise club

"As someone who's a light sleeper and a certified alarm-snoozer, I was skeptical. But the personalized crow? Perfectly annoying—in the best way. It's loud, proud, and weirdly motivating. Feels like the rooster really knows me."

Carl M, rooster enthusiast and local legend

"One rooster crows, the neighborhood stirs. Two roosters harmonize, and it's a morning masterpiece. Mine wore coordinated bowties and performed in stereo—woke my entire cul-de-sac and we now have a group text thread called 'Feather Alert.' I've never been prouder."
